

Intermediate Dance Camps

Ages 11-18

In Intermediate 1 Dance Camps for ages 11-18, we will teach ballet, jazz, *tap, and creative/contemporary dancing using correct technique by strengthening the mind and body. We will focus on working in groups as well as more advanced movements. Each day will present new activities and routines to encourage proper technique, coordination, and creativity. During the breaks each day, the students may sit and enjoy a snack/lunch they bring from home.

*Tap shoes are not required but will enhance the experience for your student.
