

Intermediate 2 Dance Camps

Ages 14-18

In Intermediate 2 Dance Camps for ages 14-18, we will teach ballet, jazz, hip hop, and contemporary dancing using correct technique by strengthening the mind and body. We will focus on working in groups as well as more advanced movements. The students will work on musicality through fun combinations and variations which they will have a chance to participate in choreographing. Each day will present new activities and routines to encourage proper technique, coordination, and creativity. During the breaks each day, the students may sit, socially distanced, and enjoy snacks they bring from home.

****Not all dance styles are included in each camp. See schedules for details.**
