

Beginning 2 Dance Camps

Ages 9-10

In Beginning 2 Dance Camps for ages 9-10, we will teach ballet, jazz, tap*, and creative/contemporary dancing using correct technique by strengthening the mind and body. We will focus on working in groups as well as more advanced movements. Each day will present new activities and routines to encourage proper technique, coordination, and creativity. During the break each day, the students may sit, socially distanced, and enjoy a snack they bring from home.

*Tap shoes are not required but may enhance the tap experience for your child.

**Not all dance styles are included in each camp. See schedules for details.
